1. About this report

The survey was launched on 21 July 2020 and closed on 18 September 2020.

During the live period the survey was shared by members of Valleys Regional Park.

There were a total of 426 online completions. 12 were completed in Welsh and 414 in English.

An earlier version of this survey was initially launched in Bridgend County only. Where questions were identical with the present survey, the results have been merged to provide a broader dataset.

2. Survey results

2.1 Before the lock down occurred, how often were you accessing and using open and green spaces?

422 responses were received to this question.

23% of respondents stated that before lockdown they used open and green spaces daily, followed by 33% two to five times per week and 28% weekly.

2.2 If the answer above is less than once a month please tell us why: (please tick all that apply)

This was a multiple choice question meaning that respondents could select multiple responses.

47 responses were received to this question.

Of the respondents that said they used open and green spaces less than once per month the most common reasons given for this were, I am too busy followed by I don't want to go on my own, I have caring responsibilities that prevent me accessing open or green spaces and lack of access for wheelchairs.

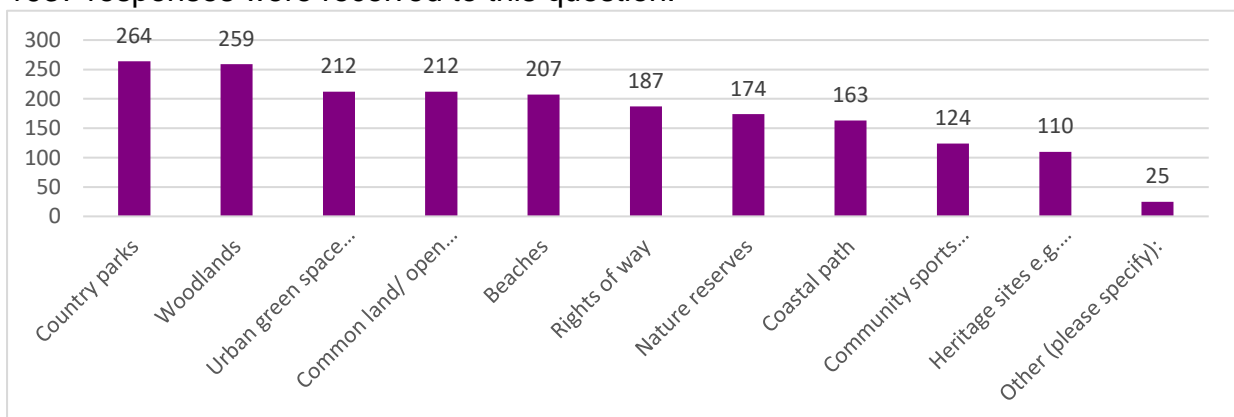

One respondent chose other and made the following comment:

- Can't drive. Vision impaired. Not all places accessible by public transport

2.3 Which open and green spaces did you use?

This was a multiple choice question meaning that respondents could select multiple responses.

1937 responses were received to this question.

The most common responses were Country Parks, woodlands followed by urban green space near my home and common land/open access.

25 respondents provided comments when they selected other, these comments have been themed in the table below, some comments contained multiple themes:

Theme	
Canal/river walks	6
Cycle track	4
Public footpaths/Rights of way	3
My garden	3
Coal tips and colliery sites	3
Mountains	2
Country lanes	2
National Trust sites	1
Local farm land	1
Local allotments	1
Llanharan opencast	1
Lady Windsor Site Ynysybwll	1

The most common themes were canal/river walks followed by cycle tracks.

2.4 Please name some of your favourite places to visit

244 respondents provided comments when they selected other, some comments contained multiple places and have been themed in the table below:

Place	
Bryngarw House/park	21
Craig Gwladus	21
Brecon Beacons	20
Local woodlands/forests	14
